Dear Madam:

Subject: Attestation – Recognized Reuse Organization

EPRA-Québec is pleased to recognize OPEQ as a reuse organization participating in the **Recycle My Electronics™** program.

This recognition is granted following OPEQ's approval by the Recycler Qualification Office (RQO) under the *Electronics Reuse and Refurbishing Program*.

This attestation will be valid for the duration of said approval by the RQO, which is conditional to maintaining OPEQ's conformance to the current ERRS's requirements.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'D. Levesque', is positioned above the printed name.
